

The word 'BLAST' in a bold, sans-serif font, with a large, dynamic explosion of grey powder behind the letters. A thick black horizontal line is positioned below the text.

BLAST™

GAS PROPELLED PEPPERBALL LAUNCHER

QUICK START GUIDE

READ ENTIRE WARNING PRIOR TO USE

FOR SELF-DEFENSE ONLY. The use of PepperBall® products are for self defense only. The contents are dangerous—use with care. Keep all PepperBall products out of the sight and reach of children. Always keep the launcher pointed in a safe direction. Purchase and use of PepperBall products are limited to individuals who are at least 18 years old. There are some state or local limitations on purchase, possession, and use of PepperBall products by civilians. This BLAST™ launcher is preloaded with specially formulated powder. The active ingredient in Pepperball projectiles is PAVA, a pepper powder that on exposure or inhalation, will cause coughing, burning, stinging and/or other physical irritation.

EXPOSURE: If breathing is difficult, administer oxygen. Flush eyes and other contaminated areas IMMEDIATELY with large amounts of cool water, expose to fresh air. Contact lenses should be removed and must be discarded. DO NOT rub contaminated areas or apply creams, salves, oils, lotions, or burn cream, which can trap irritant on the skin. For additional information visit www.pepperball.com.

WARNING: This product may contain one or more chemicals that are known to the State of California to cause cancer and birth defects or other reproductive harm. Wash hands after handling.
