

SWKNTL Instructions

SPECIFICATIONS

1. Power source: Rechargeable Li-ion battery 3.7V 500mAH (built-in)
2. Rechargeable: Micro USB Port (Input: 5V/500~1000mA)
3. Recharging time: 2.5 hours
4. Alarm sound: 130 dB
5. LED Light Brightness: 35 lumens (low), 350 lumens (high)
6. Maximum run time for light: 4.5 hours in low mode, 45 minutes in high mode
7. Maximum run time for alarm: 2.5 hours
8. Waterproof Rating: IP44
9. Net weight: 1.69 ounces

FLASHLIGHT

Pressing the light button once will turn on the low (35 LM) light mode. Pressing a second time turns on high (350 lumen) light mode. Pressing a third time will turn off the light.

ALARM AND STROBE LIGHT

At the first sign of danger simply press the red SOS button on the side of the unit to emit an ear piercing 130 dB alarm and bright strobe light to attract attention and scare off an attacker.

RECHARGING THE BATTERY

The rechargeable battery is built in and cannot be removed. If the alarm sound or LED light becomes noticeably weaker the battery will need to be changed. To do so follow these steps:

1. Using the included charging cable, plug the micro-USB end into the charging port on the Knight Light and the other end into your charging device (computer, block charger, or car plug).
2. While charging you will see a solid red led light.

3. When the unit is fully charged (after about 2.5 hours) a green light will flash to remind you to unplug the unit.

IMPORTANT: Do not charge for more than 3 hours. Doing so can damage the battery and will void the warranty.

WARRANTY

There is a warranty period of one year that covers defects in materials or workmanship, with the following exceptions:

- The warranty does not cover damage resulting from accident, misuse or abuse, lack of reasonable care, water damage or excessive moisture, the affixing of any attachment not provided with the product, loss of parts, or recharging the unit in any manner not in accordance with these instructions.
- The warranty will be voided if the unit has been opened or tampered with in any way (unless by an authorized dealer) or if any unauthorized replacement parts have been used.
